The Extra Mile

In celebration of the 150th anniversary of the founding of the Crown Colony of British Columbia, Service BC has published a fascinating book about the very first public servants, B.C. Government Agents. Service BC is generously donating all proceeds from these sales of *The Extra Mile* to the Provincial Employees Community Services Fund during the campaign. For the low price of \$24.95, you can enjoy a great book and support your local community's charitable organizations.
